The Unit To Different  
Locations As Needed

Wide Opening Cap  
For Cleaning & Filling

High Density  
Blue Polyethylene  
9 Gallon Tank

The GravityFlow44™ portable gravity operated eyewash is a great solution when plumbed water access is a challenge. The 9 gallon capacity provides a run time that is certified to the ANSI Z358.1 standard of 15 minutes and offers the best performing spray by simply pulling the activation door panel that provides hands free operation. Small size allows the product to sit on a counter or table and is sold with a wall bracket.
