

GRAVITYFLOW44™

PORTABLE EYEWASH STATION

The GravityFlow44™

The GravityFlow44™ portable gravity operated eyewash is the perfect solution when plumbed water access is a challenge. The 9 gallon capacity provides a run time that is certified to the ANSI Z358.1 standard of 15 minutes and offers the best performing spray by simply pulling the activation door panel that provides hands free operation. The small size allows the product to sit on a counter or table and is sold with a wall bracket.

Wide Opening Cap For Cleaning & Filling

Carry Handle Allows The Unit To Be Easily Carried And Transported To Different Locations As Needed
